

In hot water with high energy bills?

Warm up to efficiency and get hot rebates!

The Chicagoland Natural Gas Savings Program is offering cash for ENERGY STAR high efficiency hot water heaters!

Just choose one of the following:

Product	Efficiency Level	Rebate Amount
Storage Water Heater	ENERGY STAR rated, with Energy Factor ≥ 0.62	\$75
Tankless Water Heater	ENERGY STAR rated, with Energy Factor ≥ 0.82	\$400
Gas Condensing Water Heater	ENERGY STAR rated, with Energy Factor ≥ 0.80	\$400

Water heaters typically account for up to 25% of your energy bill.*

By upgrading to an ENERGY STAR rated hot water heater, you can:

- **Prevent burn out** – if your equipment is more than 10 years old, replace it now and prevent failure when you need it most
- **Reduce consumption** – ENERGY STAR hot water heaters reduce natural gas use and save our nation's limited energy resources
- **Increase savings** – depending on the model, you can save up to \$115 per year with an ENERGY STAR hot water heater**

The Chicagoland Natural Gas Savings Program is funded by customers of Peoples Gas and North Shore Gas through a line item on the bill called the Enhanced Efficiency Program. The Program is guided by Peoples Gas, North Shore Gas, the Citizens Utility Board, the City of Chicago Department of Environment, the Environmental Law and Policy Center and the Illinois Attorney General's Office.
